Welcome to our fourth trip to Southwest Florida...and the 2019 GGM World Championships. We are so happy to be able to provide this tournament to you with our partners at the Sarasota Polo Club, Bradenton Area CVB, and Sarasota County Sports Commission. We certainly could not pull this off without their support and you, the players, that have helped make this dream a reality. Also, huge thank you to Surly Brewing for sending us some refreshments. And, we're excited to be hosting the WFDF 2019 Pan American Ultimate Championships following our GGM Tourney. We hope you'll be able to stick around a few days and watch over 67 teams from 13 countries compete from Monday through Friday.

As part of our hosting, we want to help promote the dream of Oshadega: A Field of Our Own. Since 2001, we've been playing and hosting Ultimate tournaments. We've come to love the Ultimate community and dread the constant stress of weather and cancelled tournaments. We believe that the time is right to have our own fields dedicated to Ultimate. We want to start with one site that can host a few mega-tournaments a year plus all the local tournaments we already are run. With a successful run, we'd like to have regional fields around the U.S. located in markets with strong Ultimate communities that share our vision. If you were with us last year, we told you about a piece of property we purchased. Unfortunately, the zoning fell through, so we're still in search of our land. Here's hoping to a better result in the future.

Questions, ideas, suggestions? Let us know tweet us @Oshadega, Like Oshadega on Facebook, or email us oshadega@gmail.com, www.oshadega.com.

For your benefit, we have also contracted with UltiPhotos to provide coverage of the event. You'll be able to find photos for both days on their site. Make sure to check out HQ for some great merchandise deals. We've got great prices...and a few Patagonia Black Hole Bags to sell as well.

Good luck this weekend, and we hope to see you real soon.

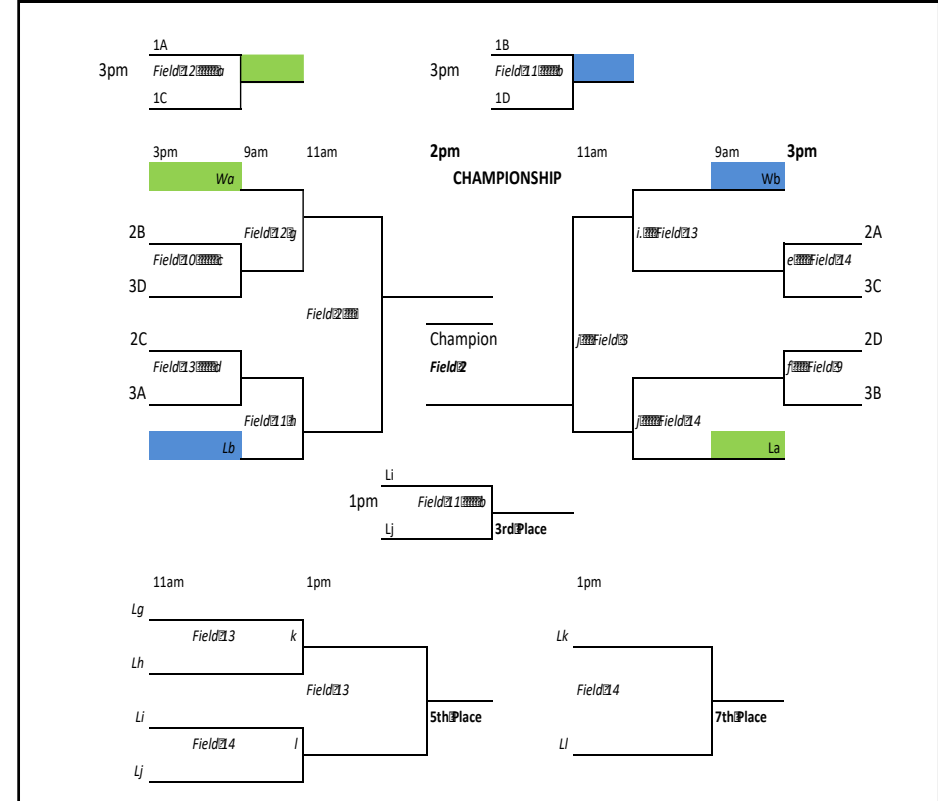

Cheers,

Rodger Oakes
